

Bohan Showcases Fashion, Savings and Fun in New Campaign for Stein Mart

April 18, 2018

NASHVILLE, Tenn.--(BUSINESS WIRE)--Apr. 18, 2018-- On the heels of last fall's successful SAVING is a beautiful thing campaign for [Stein Mart](#) (NASDAQ: SMRT), [bohan](#) delivers five new spring/summer spots for the national specialty off-price retailer.

Each ad opens with the tease of a posh, high-end setting, complete with special effects and edgy backdrops. The wider shot reveals Stein Mart's designer brands in the spotlight of a makeshift sidewalk photoshoot captured on a friend's cell phone or three models posing poolside in the backyard as dad reflects the sun's glare in a handheld mirror. Like the locations, Stein Mart's fashions are stylish, fun and affordable, emphasizing how Stein Mart effortlessly fits into the world of fashion and everyday life. ([View ads here.](#))

"Building on the SAVING is a beautiful thing tagline, we used a comedic approach to elevate the fun side of the Stein Mart brand, including the introduction of a male character alongside the real star and Stein Mart's primary customer and decision-maker," said Jon Arnold, executive creative director at bohan.

"While the new spots emphasize that Stein Mart is fun and affordable, the spots also underscore that Stein Mart is the go-to retailer for fashion-conscious shoppers who love name brands," said Glori Katz, Stein Mart's senior vice president, marketing and advertising. "Stein Mart doesn't take itself too seriously, but we are serious about offering terrific value and amazing style."

The new ads appear in national and regional markets throughout the U.S. and on digital channels. Bohan was awarded the Stein Mart account in 2017.
