PROXY STATEMENT FOR ANNUAL MEETING OF SHAREHOLDERS TO BE HELD SEPTEMBER 1, 2020

This proxy statement and the enclosed form of proxy are being sent to shareholders of Stein Mart, Inc. ("Stein Mart," or "we," "our" or "us") on or about July 20, 2020, in connection with the solicitation by our Board of Directors of proxies to be used at our annual meeting of shareholders. The meeting will be held on Tuesday, September 1, 2020, at 2:00 p.m., local time at our Corporate Headquarters, 5th floor, 1200 Riverplace Blvd., Jacksonville, Florida 32207.

The Board of Directors has designated D. Hunt Hawkins and Richard L. Sisisky, and each or either of them, as proxies to vote the shares of common stock solicited on its behalf.

ABOUT THE ANNUAL MEETING

Why did I receive these materials?

Our Board of Directors is soliciting proxies for our 2020 annual meeting of shareholders. You are receiving a proxy statement because you owned shares of our common stock on the record date, July 2, 2020, and that entitles you to vote at our meeting of shareholders. By use of a proxy, you can vote whether or not you attend the meeting. This proxy statement describes the matters on which we would like you to vote and provides information on those matters so that you can make an informed decision.

What information is contained in this proxy statement?

The information in this proxy statement relates to the proposals to be voted on at the annual meeting, the voting process, our Board and Board committees, the compensation of directors and executive officers and other information that the Securities and Exchange Commission requires us to provide annually to our shareholders.

Who is entitled to vote at the meeting?

Holders of common stock as of the close of business on the record date, July 2, 2020, will receive notice of, and be eligible to vote at, our annual meeting of shareholders and at any adjournment or postponement of such meeting. At the close of business on the record date, we had 48,513,878 shares of common stock outstanding and entitled to vote.

How many votes do I have?

Each outstanding share of our common stock you owned as of the record date will be entitled to one vote on each matter considered at the meeting. There is no cumulative voting.

Who can attend the meeting?

Only persons with evidence of stock ownership as of the record date or who are our invited guests may attend and be admitted to the annual meeting of shareholders. Shareholders with evidence of stock ownership as of the record date may be accompanied by one guest. Photo identification will be required (e.g., a valid driver's license, state identification or passport). If a shareholder's shares are registered in the name of a broker, trust, bank or another nominee, the shareholder must bring a proxy or a letter from that broker, trust, bank or other nominee or their most recent brokerage account statement that confirms that the shareholder was a beneficial owner of our shares as of the record date. Since seating is limited, admission to the meeting will be on a first come, first served basis.

Cameras (including cell phones with photographic capabilities), recording devices and other electronic devices will not be permitted to be used at the meeting.

What constitutes a quorum?

The presence at the meeting, in person or by proxy, of the holders of a majority of the aggregate voting power of the common stock outstanding on the record date will constitute a quorum, permitting the conduct of business at the meeting. Proxies received but marked as abstentions and broker non-votes, if any, will be included in the calculation of the number of votes considered to be present at the meeting for the purposes of a quorum.

How do I vote?

If you are a holder of record (that is, your shares are registered in your own name with our transfer agent), you can vote either in person at the annual meeting or by proxy without attending the annual meeting. We urge you to vote by proxy even if you plan to attend the annual meeting so that we will know as soon as possible that enough votes will be present for us to hold the meeting. If you attend the meeting in person, you may vote at the meeting and your proxy will not be counted.

Each shareholder electing to receive shareholder materials by mail may vote by proxy by using the accompanying proxy card. When you return a proxy card that is properly signed and completed, the shares represented by your proxy will be voted as you specify on the proxy card. Holders of record may also vote by calling the toll-free telephone number on the proxy card or by following the instructions on the proxy card to vote online. Please have the proxy card handy when you call or access the website for Internet voting. If you vote by telephone or on the Internet, you do not have to return your proxy card.

If you hold your shares in "street name," you must either direct the bank, broker or another record holder of your shares as to how to vote your shares or obtain a proxy from the bank, broker or another record holder to vote at the meeting. Please refer to the voter instruction cards used by your bank, broker or another record holder for specific instructions on methods of voting, including by telephone or using the Internet.

Your shares will be voted as you indicate. If you return the proxy card but you do not indicate your voting preferences, then your proxy card will be deemed to direct the individuals designated as proxies to vote your shares in accordance with the Board's recommendations. At this time, the Board and management do not intend to present any matters at the annual meeting other than those outlined in the notice of the annual meeting. Should any other matter requiring a vote of shareholders arise, shareholders returning the proxy card or voting via the telephone or on the Internet confer upon the individuals designated as proxies discretionary authority to vote the shares represented by such proxy on any such other matter in accordance with their best judgment.

Can I change my vote?

Yes. If you are a shareholder of record, you may revoke or change your vote at any time before the proxy is exercised by filing a notice of revocation with our secretary, by mailing a proxy bearing a later date, by submitting new voting instructions by telephone or on the Internet or by attending the annual meeting and voting in person. For shares you hold beneficially in "street name," you may change your vote by submitting new voting instructions to your broker, bank or other nominee or, if you have obtained a legal proxy from your broker, bank or other nominee giving you the right to vote your shares, by attending the meeting and voting in person. In either case, the powers of the proxy holders will be suspended if you attend the meeting in person and are the shareholder of record (or, if your shares are held in "street name" you have a legal proxy as described above) and so request, although attendance at the meeting will not by itself revoke a previously granted proxy.

How are we soliciting this proxy?

We are soliciting this proxy on behalf of our Board of Directors and will pay all expenses associated with this solicitation. In addition to mailing these proxy materials, certain of our officers and other employees may, without compensation other than their regular compensation, solicit proxies through further mailing or personal conversations, or by telephone, e-mail or other electronic means. We will also, upon request, reimburse brokers and other persons holding stock in their names, or in the names of nominees, for their reasonable out-of-pocket expenses for forwarding proxy materials to the beneficial owners of our stock and to obtain proxies.

Will shareholders be asked to vote on any other matters?

To our knowledge, shareholders will vote only on the matters described in this proxy statement. However, if any other matters properly come before the meeting, the persons designated as proxies will vote on those matters in the manner they consider appropriate.

What vote is required to approve each item?

Directors are elected by a plurality of the votes cast at the meeting, which means that the nine (9) nominees who receive the highest number of properly executed votes will be elected as directors, even if those nominees do not receive a majority of the votes cast. A properly executed proxy marked "For All Except" with respect to the election of one or more directors will not be voted with respect to the director or directors indicated, although it will be counted for purposes of determining whether there is a quorum. However, pursuant to a majority voting policy adopted by our Board, any nominee who receives more "withheld" than "for" votes must submit his or her resignation to the Corporate Governance Committee even if he or she received a plurality of votes. The Board of Directors shall then consider the Corporate Governance Committee's recommendation as to whether or not to accept such resignation and will publicly disclose its decision, the process in reaching its decision and the underlying reasons for its decision.

The advisory resolution on executive compensation commonly referred to as a "say-on-pay" resolution, is not binding on the Board of Directors. Although the vote is non-binding, the Board of Directors and the Compensation Committee will review the voting results in connection with their ongoing evaluation of our compensation program. The advisory resolution on executive compensation will be approved if the votes cast "FOR" the proposal exceed the votes cast "AGAINST" the proposal.

The ratification of the appointment of KPMG LLP to serve as our independent registered public accounting firm for the fiscal year ending January 30, 2021, will be approved if the votes cast "FOR" the proposal exceed the votes cast "AGAINST" the proposal.

How are votes counted?

In the election of directors, you may vote "FOR ALL" of the nominees or for none of the nominees ("WITHHOLD ALL") or your vote may be "FOR ALL EXCEPT" with respect to one or more of the nominees.

For the advisory resolution on executive compensation and the ratification of the appointment of KPMG LLP to serve as our independent registered public accounting firm for the fiscal year ending January 30, 2021, you may vote "FOR," "AGAINST" or "ABSTAIN." Abstentions are considered to be present and entitled to vote at the meeting but will have no effect on the advisory resolution on executive compensation or the ratification of the appointment of our independent registered public accounting firm.

If you hold your shares in “street name,” we have supplied copies of our proxy materials for our 2020 annual meeting of shareholders to the broker, bank or other nominee holding your shares of record and they have the responsibility to send these proxy materials to you. Your broker, bank or other nominee is permitted to vote your shares on the appointment of our independent registered public accounting firm without receiving voting instructions from you. In contrast, all other proposals are “non-discretionary” items. This means brokerage firms that have not received voting instructions from their clients on these proposals may not vote on them. These so-called “broker non-votes” will be included in the calculation of the number of votes considered to be present at the meeting for purposes of determining a quorum, but will not be considered in determining the number of votes necessary for approval and will have no effect on the outcome of the proposals.

What should I do if I receive more than one set of voting materials?

You may receive more than one set of voting materials, including multiple copies of this proxy statement, proxy cards or voting instruction cards. For example, if you hold your shares in more than one brokerage account, you may receive a separate voting instruction card for each brokerage account in which you hold shares. If you are a shareholder of record and your shares are registered in more than one name, you will receive more than one proxy card. Please vote your shares applicable to each proxy card and voting instruction card that you receive.

Where can I find the voting results of the annual meeting?

We intend to announce the preliminary voting results at the annual meeting and publish the final results in a Form 8-K filed with the U.S. Securities and Exchange Commission (“SEC”) within four business days following the annual meeting.

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires our directors and executive officers, and persons owning more than ten percent (10%) of our common stock to file with the Securities and Exchange Commission initial reports of ownership and reports of changes in ownership of common stock and other equity securities and to furnish us with copies of all such reports. To our knowledge, based solely on our review of copies of such reports furnished to us during 2019, all Section 16(a) filing requirements applicable to our directors, officers and greater than ten percent (10%) beneficial owners have been complied with on a timely basis, except a late Form 4 filed by Gregory Kleffner in February 2019 related to the disposition of restricted stock to the Company, late Form 4s filed by Irwin Cohen, Thomas Cole, Timothy Cost, Lisa Galanti, Mitchell Legler, Richard Sisisky and Burton Tansky, respectively, in March and April 2019 relating to the vesting of restricted stock units (and in some instances the corresponding withholding of shares for taxes), and a late Form 4 filed by Irwin Cohen in September 2019 relating to the withholding of shares for taxes.

**PROPOSAL NO. 1 -
ELECTION OF DIRECTORS**

At the meeting, nine (9) directors will be elected to serve until the next annual meeting of shareholders and the election and qualification of their successors or a decrease in the number of directors. Each nominee is presently available for election. There are no family relationships between any of our directors, director nominees, or executive officers. While our directors are elected by a plurality vote, our majority voting policy requires that any director who receives more "withheld" votes than "for" votes must tender his or her resignation and the full Board must determine whether or not to accept those resignations. We will file a Current Report on Form 8-K that discloses the Board's decision and the reasons for its actions.

We believe that each nominee possesses the characteristics that are expected of all directors, namely, independence, integrity, sound business judgment and a willingness to represent the long-term interests of all shareholders. The following paragraphs provide biographies of each of our nominees and descriptions of the experiences, qualifications and skills that caused the Corporate Governance Committee and the Board to determine that these nominees should serve as our directors. These biographies contain information regarding each nominee's service as a director, business experience, director positions held currently or at any time during the last five (5) years and information regarding involvement in certain legal or administrative proceedings, if applicable.

Prior to joining Adrianna Papell Group, he served as Chief Financial Officer for Gordmans Stores from 2015 to 2017 and Hancock Fabrics from 2013 to 2015 and Senior Vice President, Finance of Fred's, Inc. from 2006 to 2013.

CORPORATE GOVERNANCE

We are structured with a Board of Directors (the "Board") as our highest governing body. Mr. Jay Stein previously served as Chairman of the Board from 1989 until his resignation from such position in June 2020. The Board has not elected a subsequent Chairman of the Board and instead has elected a lead director, as discussed below. The Board and management currently believe that it is in our best interest to not have a Chairman of the Board at this time.

The Board elects a lead director (the "Lead Director"), who routinely chairs meetings of the Board and leads executive sessions of our independent directors. Our Lead Director also serves as Chairman of the Corporate Governance Committee. The Lead Director is an independent director with substantial management experience who works with management to set the agenda for Board meetings, serves as a liaison between the Board and management to facilitate communications, acts as a moderator of executive sessions made up solely of independent directors and assures that an independent director is involved in setting agendas for the Board and Corporate Governance Committee meetings. Our Lead Director is currently Mr. Sisisky, a position he has held since 2012.

Our Corporate Governance Guidelines require that a majority of our directors qualify as independent directors. The Board determines independence on the basis of the standards specified by Nasdaq, the additional standards referenced in our Corporate Governance Guidelines and other facts the Board considers relevant. The Board has reviewed relevant relationships between us and each non-employee director, as well as any other facts that might impair a director's independence. Based on that review, the Board has determined that all current directors are independent except for D. Hunt Hawkins, MaryAnne Morin and Jay Stein who are not independent, as they are employees of Stein Mart. In determining the independence of each director, the matters described under "Related Party Transactions" were considered.

The Board meets at least quarterly and provides supervision of Stein Mart between meetings through a number of standing committees. The Board recognizes its responsibility for oversight of our risk management and periodically addresses strategic risks such as changes in the retail environment. The Board believes that its focus on risk management discourages inappropriate risk-taking by management and results in appropriate controls. The Board has delegated responsibility for specific areas of risk management to various committees. For example, one (1) meeting each year of the Audit Committee is heavily focused on operational risk management dealing with areas of primary concern to us such as inventory valuation and shrinkage, technology/data breach risk, insurance coverage, financial controls, adequacy of reserves, financing and liquidity, operating and capital budgets and third-party claims. Management annually identifies and prioritizes current risks to the business and reviews those risks and actions to minimize such risks with our Audit Committee.

The Compensation Committee seeks to establish an executive compensation program that creates a balance between rewarding performance and avoiding inappropriate risk-taking by management. Our incentive compensation program for executives is reviewed annually, and adjusted if needed, in order to focus management on our performance but also to reduce inappropriate risks. In order to further reduce our risk profile with respect to our executive compensation program, the Board adopted the Stein Mart, Inc. Clawback Policy (the "Clawback Policy") in September 2016. The Clawback Policy provides that, with respect to incentive compensation for our executives that is granted, earned or vested based wholly or in part on the attainment of a financial reporting measure, the amount of an individual's award depends on our performance and is subject to recoupment in the event we are required to prepare an accounting restatement of our financial statements due to material noncompliance with financial reporting requirements under the securities laws, which reduces the ability of and incentive for an individual to take undue risks at the expense of our performance in an effort to increase the amount of his or her award. With respect to employees below the executive level, management is encouraged to design the incentive compensation program and set specific performance criteria that similarly are intended to maximize opportunities and control risks at all levels of our operations. See the Executive Compensation section of this proxy statement for more information on our executive compensation program. We have also adopted a policy that prohibits our directors, officers and employees from engaging in hedging transactions as well as pledging or margin arrangements.

Shareholders who wish to communicate with the Board of Directors, or any particular director, may send a letter to our Secretary at the address set forth on the first page of this proxy statement. The mailing envelope should contain a clear notation on the outside that the enclosed letter is a "Shareholder-Board Communication" or a "Shareholder-Director Communication." All such letters should identify the author as a shareholder, state the name in which the shares of such author are held, and clearly state whether the intended recipients are all members of the Board or only certain specified individual directors. The Secretary will make copies of such letters and circulate them to the appropriate director or directors.

The Board adopted Corporate Governance Guidelines to assist the Board in the exercise of its responsibilities. The Corporate Governance Guidelines are available on our website, www.steinmart.com.

MEETINGS AND COMMITTEES OF THE BOARD

During 2019, the Board held a total of fourteen (14) meetings. All directors, except for Mr. Stein, attended at least seventy-five percent (75%) of all meetings of the Board and Board committees on which they served during 2019. In light of the prior merger negotiations and resulting Board discussions, Mr. Stein did not attend at least 75% of the Board meetings. We do not have a formal policy requiring directors to attend annual meetings of shareholders. The annual meeting is generally held on the same day as a regularly scheduled Board meeting and we expect that all of our directors will attend the annual meeting of shareholders. All directors, except for Mr. Stein, attended the last annual meeting.

The Board of Directors has established four (4) standing committees: an Executive Committee, an Audit Committee, a Compensation Committee and a Corporate Governance Committee. Each standing committee operates pursuant to a charter adopted by the full Board, which is available on our website, www.steinmart.com. The Committees are more fully described below. Members of the standing committees are appointed annually at the regular Board meeting held in conjunction with the annual shareholders' meeting, with changes in committee assignments being made during the year as the Board of Directors deems appropriate. In addition, the Board occasionally designates ad hoc committees for special purposes.

Executive Committee.

The Executive Committee is comprised of any two (2) directors who are independent directors under Nasdaq rules and one (1) additional director who is our Chief Executive Officer. Subject to the limitations specified by the Florida Business Corporation Act, the Executive Committee is authorized by our bylaws to exercise all of the powers of the Board of Directors when the Board of Directors is not in session. The Executive Committee did not meet during 2019.

Audit Committee.

During 2019, the Audit Committee was comprised of Mr. Cohen (Chairman), Mr. Cole and Mr. Tansky, each of whom is an independent director under Nasdaq rules applicable to Audit Committee members. During 2019, the Audit Committee held thirteen (13) meetings. The Audit Committee is appointed by the Board to assist the Board in monitoring (1) the integrity of our financial statements, (2) our compliance with legal and regulatory requirements relating to our accounting and financial reporting processes and controls, and (3) the independence and performance of our internal auditors and independent registered public accounting firm. Our internal auditors, as well as our independent registered public accounting firm, report directly to the Audit Committee. Our Board of Directors has determined that Mr. Cohen qualifies as an "audit committee financial expert" as defined by the SEC. Mr. Tansky also has significant financial expertise due to his service as a chief executive officer with chief financial officers reporting to him during his career, and Mr. Cole's service as a chief administrative officer of a national department store also gives him deep insight into the financial aspects of our business.

Compensation Committee.

The Compensation Committee is comprised of Messrs. Tansky (Chairman), Sisisky and Cost and Ms. Galanti, each of whom is an independent director under Nasdaq rules. During 2019, the Compensation Committee held three (3) meetings. This Committee has the responsibility for approving and evaluating the compensation arrangements for our directors and officers, including the short-term and long-term incentive compensation programs. It also recommends to the Board of Directors adoption of any compensation plans in which our officers and directors are eligible to participate. The Compensation Committee may form and delegate authority to subcommittees.

The Compensation Committee provides governance and oversight to our executive compensation programs, benefit plans and policies, and administers our 2018 Omnibus Incentive Plan, including a review of all equity grants under the 2018 Omnibus Incentive Plan. The Compensation Committee makes all compensation decisions relating to our Chief Executive Officer. The Compensation Committee reviews and approves, after considering the evaluation and recommendation of our Chief Executive Officer, all compensation decisions relating to our other Named Executive Officers.

During 2019, the Compensation Committee retained Mercer (US), Inc. ("Mercer"), a compensation consulting firm, to support the Compensation Committee in its work. Mercer provides recommendations as well as information as to the compensation levels and practices of various peer companies. Mercer also provides the Compensation Committee with information as to current trends and best practices in executive compensation and informs them of pertinent regulatory and stock exchange rules impacting executive compensation matters. In addition, Mercer provides advice to management with regard to special compensation issues that may arise. Mercer provided no other services to us during 2019.

To ensure independence, the Compensation Committee is required to pre-approve all other work unrelated to compensation advice to the Compensation Committee proposed to be provided by Mercer if any such work were ever to be proposed. The Compensation Committee considered the following factors in determining that Mercer has no conflict of interest in providing advice to the Compensation Committee: the provision of any work unrelated to compensation advice to the Compensation Committee to Stein Mart by Mercer; the amount of fees paid by us as a percentage of Mercer's total revenue, Mercer's policies and procedures that are designed to prevent conflicts of interest; ownership of our stock by representatives of Mercer; and the existence of any business or personal relationships between Mercer personnel and the members of the Compensation Committee and/or our executive officers.

Corporate Governance Committee

The Corporate Governance Committee is comprised of Mr. Sisisky (as the Lead Director and Chairman), Mr. Cohen (as the Chairman of the Audit Committee), and Mr. Tansky (as the Chairman of the Compensation Committee), each of whom is an independent director under Nasdaq rules. The Committee is responsible for the search and selection of our future directors and recommends to the full Board the slate of directors to be proposed to our shareholders for election at our annual meeting of shareholders. The Committee also reviews, from time to time, the roles of the other standing committees, recommends committee assignments and evaluates, on a periodic basis, the performance of the Board and each of its committees, as well as the relationship between the Board and our management. During 2019, the Corporate Governance Committee held two (2) meetings. The Lead Director, among other things, assists in setting agendas for meetings of the Board, acts as a moderator of executive sessions made up solely of our independent directors and serves as a liaison to increase the flow of information between Board members and our management.

The Corporate Governance Committee will consider nominees for director recommended by our shareholders. Any shareholder wishing to make such a recommendation to the Corporate Governance Committee should submit the recommendation, in writing, with such supporting information as the shareholder believes appropriate, as well as any other information required to be disclosed about the candidate under the SEC's proxy rules, to the Corporate Governance Committee in care of our Lead Director at our headquarters in Jacksonville, Florida. Shareholder nominations for directors must be received by the Lead Director on or before March 22, 2021, in order to be considered timely for our 2021 annual meeting. Shareholders desiring to make a director nomination must comply with the procedures outlined in Section 3.18 of our Bylaws.

The Corporate Governance Committee reviews a broad range of criteria when considering all possible candidates for the Board, including experience, education, ability to read and understand financial statements, ethics, business reputation and other factors that the Committee believes relevant in determining whether a candidate would add to the Board's ability to guide Stein Mart. In recommending director nominees, the Committee seeks to achieve a diversity of business experience and to enhance the Board's ability to address challenges facing us and better understand our ability to take advantage of opportunities in the overall business landscape. The Committee informally evaluates incumbent directors to determine whether they should be nominated to stand for re-election based on such factors, as well as their contributions to the Board during their current terms. When a vacancy develops, the Committee will solicit input regarding potential new candidates from a variety of sources, including existing directors and senior management. If the Committee deems it appropriate, the Committee may engage a third-party search firm. The Committee will evaluate all potential candidates, including any candidates recommended by shareholders, based on their biographical information and qualifications, information available through public records and their "independence," and, if a potential candidate appears to be a good choice, will arrange personal interviews of qualified candidates by one (1) or more Committee members, other Board members and senior management, as the Committee believes appropriate.

Special Ad Hoc Committee.

The Special Ad Hoc Committee was appointed by the Board of Directors and is comprised of Mr. Sisisky (as the Lead Director and Chairman) and Messrs. Cohen, Cole and Cost. The Committee is responsible for oversight of our (1) turn-around strategy and initiatives to maximize enterprise value, (2) financial and operational performance improvement initiatives, (3) cash management initiatives (including cash flow forecasting, working capital and vendor management), (4) investigation of potential sources of additional capital, and (5) contingency planning. At a meeting on April 11, 2019, the Board of Directors conferred enhanced powers on the Special Committee, including authority to explore, discuss, and negotiate with potential investors regarding any transaction to maximize shareholder value, expressly including all aspects of a conflict sale transaction. During 2019, the Special Ad Hoc Committee met twenty-eight (28) times.

COMPENSATION OF DIRECTORS

Our Compensation Committee's philosophy is to target non-employee director compensation at levels consistent with companies in our industry. The Board set its annual retainer at \$36,000 for 2019.

In addition to the Board's annual retainer, Board members receive an annual \$8,000 meeting attendance retainer, Audit Committee members receive an annual retainer of \$16,000 and all other standing committee members receive an annual retainer of \$8,000. Standing committee members no longer receive per meeting fees for committee meetings. Non-committee members required to attend committee meetings and ad-hoc committee meeting members continue to receive \$2,000 per meeting attended.

In fiscal 2019, to compensate certain directors with additional responsibilities, (i) our Lead Director received an additional annual retainer of \$40,000, (ii) the Chairperson of our Audit Committee received an additional annual retainer of \$25,000, and (iii) the Chairperson of the Compensation Committee received an additional annual retainer of \$25,000.

In response to the coronavirus (COVID-19) outbreak, we implemented significant actions during March 2020 to mitigate the ongoing impact of COVID-19 on our cash flow to protect our business and associates for the long-term. These actions include temporarily suspending the Board of Directors' compensation.

EXECUTIVE COMPENSATION

The Summary Compensation Table below summarizes the compensation paid or accrued by us to our Chief Executive Officer and our two other executive officers. These persons are referred to as our "Named Executive Officers." For fiscal 2019, we paid our Named Executive Officers a salary. We did not pay any equity compensation or any bonuses to our Named Executive Officers in 2019, other than a sign-on bonus to James B Brown.

The amounts reported in this section for stock and option awards may not represent the amounts that the Named Executive Officers will actually realize from the awards. Whether, and to what extent, a Named Executive Officer realizes value will depend on our performance and stock price and his or her continued employment.

In response to the coronavirus (COVID-19) outbreak, we implemented significant actions during March of 2020 to mitigate the ongoing impact of COVID-19 on our cash flow to protect our business and associates for the long-term. These actions include temporarily reducing the salaries of our executive management by 20 percent.

Narrative Disclosure to the Summary Compensation Table

We have arrangements with our Named Executive Officers that provide for certain benefits, including in connection with termination. In January 2019, we adopted a Severance Policy applicable to executive vice presidents and senior vice presidents (including Mr. Brown prior to his entry into an employment agreement). Each of these arrangements is discussed below.

Employment Agreements with D. Hunt Hawkins, MaryAnne Morin and James Brown

The employment agreements with Mr. Hawkins, Ms. Morin and Mr. Brown provide for base compensation, which is reviewed periodically by the Compensation Committee and the right to participate in annual and long-term incentive plans in place from time to time for executives. Each employment agreement is for a period of two years and includes an auto-renewal provision for successive two-year terms unless we or the executive give written notice not to renew at least 60 days prior to the end of the term. The executives may be terminated at any time by us with or without cause or by the executive with or without good reason.

In the event Mr. Hawkins, Ms. Morin or Mr. Brown is terminated by us for cause (as defined below) or leaves without good reason (as defined below), then our only obligations under the employment agreements are to pay their base salary through the date of termination and to provide such other benefits as have vested. However, if Mr. Hawkins, Ms. Morin or Mr. Brown is terminated by us without cause, or if one of them terminates their employment for good reason, or in the event we deliver notice of non-renewal prior to expiration of the employment agreement, then in addition to payment of base salary through the termination date, each executive is entitled to receive 100% of the executive's then-current annual base salary paid out over a period of twelve months (a six month period in an event of non-renewal by us, in the case of Mr. Brown), beginning six months following termination. The executive also receives continued coverage under our medical, life and disability insurance programs during a continuation period of twelve months following his or her termination.

In the event Mr. Hawkins, Ms. Morin or Mr. Brown is terminated by us without cause, or if one of them terminates their employment for good reason, within two years following a change in control, then in addition to payment of base salary through the termination date, each executive is entitled to receive 200% of the sum of (i) executive's then-current annual base salary, and (ii) an amount equal to the target short-term incentive for the year in which the termination occurs (without proration) payable, with respect to Mr. Hawkins and Mr. Brown, in a lump sum payment not earlier than six months nor later than seven months, following the date of termination and, with respect to Ms. Morin, in a lump sum payment within 60 days following the termination date. Each executive also receives continued coverage under our medical, life and disability insurance programs during a continuation period of 24 months following his or her termination.

Under the employment agreement, "good reason" includes, among other things, (i) a material and continuing failure to pay compensation and benefits earned by the executive, (ii) a material reduction in the executive's compensation or benefits, which, with respect to Messrs. Hawkins and Brown, is materially more adverse to the executive than similar reductions applicable to other executives of a similar level of status within Stein Mart or, with respect to Ms. Morin, is not a uniform reduction applied to all executive officers of not more than ten percent of base salary, (iii) with respect to Messrs. Hawkins and Brown, a reduction in the incentive compensation or deferred compensation or contribution matching levels where such reductions are applicable to the executive only, without similar reductions for all other executive officers, (iv) a material breach of the employment agreement by us, (v) any requirement that the executive perform duties inconsistent with ethical or lawful business practices, (vi) the required relocation of the executive to a principal place of employment more than 100 miles (50 miles for Mr. Brown) from his or her current principal place of employment, (vii) following a change in control, a material change in the executive's duties, roles or responsibilities or, (viii) with respect to Ms. Morin, following the appointment of a CEO other than Mr. Hawkins, Mr. Stein or Ms. Morin, a material change in Ms. Morin's duties.

“Cause” includes, among other things, that the executive (i) has been convicted of, or pleads guilty or nolo contendere to, a felony involving dishonesty, theft, misappropriation, embezzlement, fraud, crimes against property or person, or moral turpitude that negatively impacts us; (ii) intentionally furnishes materially false, misleading, or incomplete information concerning a substantial matter to us or persons to whom the executive reports; (iii) intentionally fails to fulfill any assigned responsibilities for compliance with the Sarbanes-Oxley Act of 2002 or violates the same; (iv) intentionally and wrongfully damages material assets of ours; (v) intentionally and wrongfully discloses material confidential information of ours; (vi) intentionally and wrongfully engages in any competitive activity that would constitute a material breach of the duty of loyalty; (vii) intentionally breaches any stated material employment policy or any material provision of our ethics policy that could reasonably be expected to expose us to liability, (viii) intentionally commits a material breach of the employment agreement, or (ix) intentionally engages in acts or omissions that constitute failure to follow reasonable and lawful directives.

“Change in Control” means the occurrence of any of the following: (i) the Board approves the sale of all or substantially all of our assets in a single transaction or series of related transactions; (ii) we sell and/or one or more shareholders sells a sufficient amount of our capital stock (whether by tender offer, original issuance, or a single or series of related stock purchase and sale agreements and/or transactions) sufficient to confer on the purchaser or purchasers thereof (whether individually or a group acting in concert) beneficial ownership of at least 35% of the combined voting power of our voting securities; (iii) we are party to a merger, consolidation or combination, other than any merger, consolidation or combination that would result in the holders of our voting securities outstanding immediately prior thereto continuing to represent (either by remaining outstanding or by being converted into voting securities of the surviving entity) more than 50% of the combined voting power of our voting securities outstanding immediately after such merger, consolidation or combination; or (iv) a majority of our Board of Directors consists of individuals who are not continuing directors (as defined in the applicable employment agreement).

Mr. Hawkins's, Ms. Morin's and Mr. Brown's employment agreements also provide that in the event of death, their estate will receive annual base compensation through the end of the month during which the death occurred, plus whatever bonus they were entitled to for the year during which the death occurred. Normal payments will also be made for the executive's benefit under our other benefit plans in which he or she was a participant. Additionally, if Mr. Hawkins, Ms. Morin or Mr. Brown has any options or restricted shares (but excluding performance shares) that are unvested on the date of termination due to death, we will pay to their estate: (i) the net value of the excess, if any, of the closing price of our common stock on the date of death and the exercise price of any unvested options multiplied by the number of shares of common stock subject to such unvested options; and (ii) the value of the closing price of our common stock on the date of death, multiplied by the number of unvested restricted shares. In the event that termination is a result of permanent disability, Mr. Hawkins, Ms. Morin and Mr. Brown may be terminated if they do not recover within six months following the onset of the disability, and will receive a pro rata portion of his or her bonus for the year in which the termination occurred, and an additional nine months base compensation following termination, as well as payment of benefits from any of our benefit plans in which he or she was a participant, including any disability plan.

Severance Policy

Effective January 22, 2019, we adopted a new Severance Policy for executive vice presidents and senior vice presidents of Stein Mart who do not have in effect an individual employment or severance agreement that provides for severance benefits. As of May 2019, the Severance Policy does not apply to any of our Named Executive Officers, as the employment agreements with Mr. Hawkins, Ms. Morin and Mr. Brown provide severance benefits. The Severance Policy provides for a cash severance payment in the event of a participant's involuntary termination or termination by the participant for good reason. The Severance Policy defines an involuntary termination to include any separation from service from Stein Mart and its affiliates within the meaning of Section 409A of the Internal Revenue Code but excluding termination for cause (as defined in the Severance Policy), permanent disability or death. The Severance Policy defines "good reason" to include (i) a material reduction (greater than 10%) to the participant's base compensation or target incentive opportunities, (ii) a material diminution of the participant's authority, duties or responsibilities, (iii) a change in the geographic location at which the participant must perform services that is more than 50 miles from the participant's principal place of business and extends the participant's commute, or (iv) Stein Mart's failure to obtain a satisfactory agreement from any successor to assume our obligations under the Severance Policy.

In the event a participant experiences a termination covered by the Severance Policy and complies with the conditions required by the Severance Policy, including the execution of a written release, the Severance Policy provides for a cash severance payment equal to such participant's base salary for twelve months. The cash severance payment will be paid in a single lump sum payment within 90 days following the participant's separation from service date or in such amounts during such period (not to exceed one calendar year after the year in which the separation from service date occurs), as is determined by Stein Mart. A participant whose employment is terminated due to cause, death, disability or voluntary resignation without good reason, among other exclusions, is not entitled to receive severance benefits under the Severance Policy. "Cause" is defined in the Severance Policy to mean an employee's (i) substantial failure or refusal to perform the duties and responsibilities of his or her job as required by the employer, (ii) a material violation of any fiduciary duty owed to Stein Mart or its affiliates, (iii) conviction of, or entry of a plea of nolo contendere with respect to, a felony (excluding a DUI), (iv) conviction of, or entry of a plea of nolo contendere with respect to, a misdemeanor that involves dishonesty, fraud, or morally repugnant behavior, (v) dishonesty, (vi) theft, (vii) violation of Company rules or policy, or (viii) other egregious or morally repugnant conduct that has, or could have, a serious and detrimental impact on Stein Mart, its affiliates, or their employees. Stein Mart, as the administrator of the Severance Policy, in its sole and absolute discretion, determines whether cause exists.

Equity Awards

Termination events for awards under our 2001 Omnibus Plan include death, disability, and retirement following age 62 or termination within two years of a change in control. The definition of change in control used in the 2001 Omnibus Plan is the same definition used in the employment agreements discussed above. Termination events for awards under our 2018 Omnibus Incentive Plan include death, disability and termination without cause or for good reason within two years of a change in control. Under the 2018 Omnibus Incentive Plan, "change in control" is defined as (i) a person or group, other than Jay Stein or any group of which Jay Stein is a member, acquires beneficial ownership of more than 50% of the total fair market value or total voting power of the stock of Stein Mart, (ii) a person or group, other than Jay Stein or any group of which Jay Stein is a member, acquires 35% or more of the total voting power of the stock of Stein Mart, (iii) a majority of the members of the Board are replaced during any twelve-month period by directors whose appointment or election is not endorsed by a majority of the Board before the date of appointment or election or (iv) a person or group acquires 40% or more of the total gross fair market value of the assets of Stein Mart.

Internal Revenue Code Section 409A

The employment arrangements of the Named Executive Officers contain provisions intended to comply with Internal Revenue Code Section 409A, which may have the effect of postponing payments received by the Named Executive Officers following the termination of their employment with us.

2019 Equity-Based Compensation

In fiscal 2019, our Compensation Committee made no share-based awards to our Named Executive Officers.

Perquisites

We provide perquisites such as health insurance, life insurance and a 401(k) retirement plan. We do not provide perquisites such as (i) a defined benefit plan (pension plan) and (ii) financial advice, tax preparation and the like. We provide the following perquisites to our Named Executive Officers, which differ from those available to all full-time employees:

Executive Medical, Dental and Vision Plan. We maintain a medical, dental and vision plan (the "Medical Plan") for our full-time employees, including the Named Executive Officers, covering medical premiums similar to those covered by many companies with a substantial number of employees. The Medical Plan differs for Mr. Hawkins and Ms. Morin in that they do not have any co-pay amounts, deductibles or other amounts withheld from their salary to pay for their participation up to \$25,000 per annum. Additionally, the Medical Plan allows for Mr. Hawkins and Ms. Morin to continue coverage to age 65 for retirement after age 62. Any payment by us for Mr. Hawkins and Ms. Morin in excess of amounts not covered by the normal Medical Plan for other officers is taxable to them.

Group Term Life Insurance Plan. We provide death benefits for our executives through a group term life insurance plan.

Defined Contribution and Executive Deferred Compensation Plan. Executive officers are eligible to participate in our 401(k) plan. We provide a matching contribution of up to 4% of base salary (up to IRS limits) to contributing participants with more than 12 months of service. Participants have the ability to choose from a variety of investment options under the 401(k) plan. We suspended the match on the 401(k) plan effective February 4, 2018 and reinstated the match effective September 1, 2018 providing for a matching contribution of up to 2% of base salary (up to IRS limits). Subsequent to our fiscal year-end during March 2020, we suspended our matching contribution as a result of the impact of the COVID-19 pandemic. We are not certain as of the filing date of this Proxy as to when we may reinstate the company match.

We also provide a Non-Qualified Executive Deferred Compensation Plan (the "Deferral Plan") for a number of our executives including the Named Executive Officers. Under the Deferral Plan, each covered executive has the right to defer receipt of a portion of his or her total compensation each year. For Named Executive Officers, we match the amount of deferred compensation up to a maximum of 10% of an executive's total compensation (salary plus bonuses) for each year. Our matched portion vests at 20% per year in each of years four through eight in order to encourage the retention of the executive receiving the match. Matching amounts also vest on retirement or termination of the executive's employment within three years following a change of control. Retirement means a voluntary separation by an executive upon attaining age 62. We do not provide any defined benefit pension plan for our Named Executive Officers and believe that the Deferral Plan provides a benefit that partially offsets the lack of a defined benefit plan, but at a much smaller cost to us. We suspended the match on the Deferral Plan effective February 4, 2018.

Deferred amounts (which include vested matching contributions) are paid to the executive following their retirement, death, disability or termination following a change of control of Stein Mart. Those amounts are paid either in a lump sum or as the executive elects. The plan allows for "in service accounts" whereby funds are channeled to accounts for specific purposes and are allowed by regulation to be withdrawn.

**PROPOSAL NO. 2 -
ADVISORY RESOLUTION ON EXECUTIVE COMPENSATION**

We are asking shareholders to approve an advisory resolution approving our executive compensation as reported in this proxy statement. As described previously, in the “Executive Compensation” section of this proxy statement, the Compensation Committee has structured our executive compensation program to serve Stein Mart and its shareholders by aligning executive compensation with shareholder interests.

We urge shareholders to read the “Executive Compensation” section beginning on page 15 of this proxy statement, including the Summary Compensation Table and other related compensation tables and narrative, which provide detailed information on the compensation of our Named Executive Officers. The Compensation Committee and the Board of Directors believe that the compensation set forth in the “Executive Compensation” section is effective to retain our Named Executive Officers and that the compensation of our Named Executive Officers reported in this proxy statement has contributed to our recent and long-term success.

In accordance with Section 14A of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), we are asking shareholders to approve the following advisory resolution:

RESOLVED, that the shareholders of Stein Mart, Inc. approve, on an advisory basis, the 2019 compensation of our Named Executive Officers disclosed in the Executive Compensation section, the Summary

Compensation Table and the related compensation tables, notes and narrative in this proxy statement for our 2020 Annual Meeting of Shareholders.

This advisory resolution, commonly referred to as a “say-on-pay” resolution, is not binding on the Board of Directors. Although non-binding, the Board and the Compensation Committee will review and consider the voting results when making future decisions regarding our executive compensation program. The Board of Directors has determined that holding an advisory vote on executive compensation every year is the most appropriate policy for us at this time.

OUR BOARD OF DIRECTORS RECOMMENDS A VOTE “FOR” THE APPROVAL OF THE ADVISORY RESOLUTION APPROVING EXECUTIVE COMPENSATION.

AUDIT COMMITTEE REPORT

For the year ended February 1, 2020 (fiscal 2019), the Audit Committee of the Board of Directors of Stein Mart was composed of three independent directors, as defined under the Nasdaq’s Marketplace Rules and the rules and regulations of the SEC. In addition, the Board of Directors has determined that during the 2019 fiscal year, Irwin Cohen has qualified as an “audit committee financial expert” as defined by the SEC under Item 407(d)(5)(ii) of Regulation S-K.

The Audit Committee is appointed by the Board of Directors to oversee the accounting and financial reporting processes and controls of Stein Mart and the audit of Stein Mart’s consolidated financial statements. The purpose of the Audit Committee is to monitor the integrity of the consolidated financial statements, review Stein Mart’s internal accounting procedures and controls, oversee the independence, qualification and performance of Stein Mart’s independent registered public accounting firm and appoint the independent registered public accounting firm and oversee the internal audit function. Management has the primary responsibility for the consolidated financial statements and the reporting process, including the system of internal controls. In fulfilling its oversight responsibilities, the Audit Committee reviewed the audited consolidated financial statements in the Annual Report on Form 10-K for fiscal 2019 with management, including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments and the clarity of disclosures in the consolidated financial statements.

The Audit Committee reviewed with Stein Mart’s independent registered public accounting firm, KPMG LLP, who is responsible for expressing an opinion on the conformity of Stein Mart’s audited consolidated financial statements with U.S. generally accepted accounting principles, its judgments as to the quality, not just the acceptability, of Stein Mart’s accounting principles and discussed with the independent accountants such other matters as are required under Auditing Standard No. 1301 and other generally accepted auditing standards. In addition, the Audit Committee has discussed with KPMG LLP the independent registered public accountants’ independence from management and Stein Mart, including the matters in the written disclosures and the letter received by the Audit Committee, as required by applicable requirements of the Public Company Accounting Oversight Board and considered the compatibility of nonaudit services with the accountants’ independence. Audit Committee members are not professionally engaged in the practice of accounting or auditing and are not experts under the Exchange Act in either of those fields or in auditor independence.

The Audit Committee discussed with KPMG LLP and Stein Mart’s Internal Audit department, the overall scope and plans for their respective audits. The Audit Committee met with KPMG LLP, with and without management present, to discuss the results of their examination and the overall quality of Stein Mart’s financial reporting.

Based on the review and discussions described above, the Audit Committee recommended to the Board of Directors that the audited consolidated financial statements be included in Stein Mart’s Annual Report on Form 10-K for the year ended February 1, 2020, for filing with the SEC, and that KPMG be ratified as our independent registered public accounting firm for the year ending January 30, 2021.

The foregoing report is provided by the following independent directors, who constitute the committee:

AUDIT COMMITTEE
Irwin Cohen (Chairman)
Thomas L. Cole
Burton M. Tansky

**PROPOSAL NO. 3 -
RATIFICATION OF APPOINTMENT OF KPMG LLP AS
STEIN MART'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

The Audit Committee has selected the firm KPMG LLP to serve as our independent registered public accounting firm for the current fiscal year ending January 30, 2021. KPMG LLP has served as our audit firm since July 10, 2013.

Our Board of Directors has directed that the appointment of KPMG LLP as our independent registered public accounting firm be submitted for ratification by the shareholders at the annual meeting. Representatives of KPMG LLP will be present at the annual meeting of shareholders and will be given the opportunity to make a statement if they so desire, and to respond to appropriate questions.

Shareholder ratification of the selection of KPMG LLP as our independent registered public accounting firm is not required by our articles of incorporation or bylaws. However, the Board of Directors is submitting the appointment of KPMG LLP as a matter of good corporate practice. If the shareholders do not ratify the selection, the Audit Committee will reconsider whether to retain KPMG LLP. In such event, the Audit Committee may retain KPMG LLP notwithstanding the fact that the shareholders did not ratify the selection, or select another nationally recognized accounting firm without re-submitting the matter to a shareholder vote. Even if the selection is ratified, the Audit Committee retains the right in its discretion to select a different nationally recognized independent registered public accounting firm at any time during the year if it determines that such a change would be in the best interests of our shareholders and Stein Mart.

The following table provides information relating to the fees billed or expected to be billed for the audit and fees billed/paid for other services provided by KPMG LLP, our independent registered public accounting firm in each of the last two (2) fiscal years.

	2019	2018
Audit Fees	\$ 1,075,525	\$ 1,029,708
Audit-related Fees	—	—
Tax Fees ⁽¹⁾	85,450	92,300
All Other Fees ⁽²⁾	1,780	1,780
Total	\$ 1,162,755	\$ 1,123,788

⁽¹⁾ Fees for tax compliance services.

⁽²⁾ Fees for use of KPMG's accounting research tool.

All decisions regarding the selection of independent registered public accounting firms and approval of accounting services and fees are made by our Audit Committee in accordance with the provisions of the Sarbanes-Oxley Act of 2002 and the rules and regulations of the Securities and Exchange Commission ("SEC"). The Audit Committee must pre-approve (i) all audit services, and (ii) all non-audit services provided by the independent registered public accounting firm that is permitted by Section 201 of the Sarbanes-Oxley Act, except if:

1. in the case of permissible non-audit services, such services qualify as de minimis under Section 202 of the Sarbanes-Oxley Act and we did not recognize that such services were non-audit services at the time of the engagement;
2. the Audit Committee, or one (1) or more of its designated members, approves the permissible non-audit services before completion of the audit; and
3. when one (1) or more designated members approve such services, such approval is presented to the Audit Committee at its next scheduled meeting.

All audit, audit-related and tax services provided by KPMG LLP in fiscal 2019 and 2018 were pre-approved in accordance with the Audit Committee's guidelines. The Audit Committee discussed the non-audit services with KPMG LLP and determined that their provision would not impair that firm's independence.

THE BOARD OF DIRECTORS OF STEIN MART RECOMMENDS THAT THE SHAREHOLDERS VOTE "FOR" THE PROPOSAL TO RATIFY THE APPOINTMENT OF KPMG LLP AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE FISCAL YEAR ENDING JANUARY 30, 2021.

RELATED PARTY TRANSACTIONS

The Audit Committee of the Board of Directors is responsible for evaluating the appropriateness of all related-party transactions.

The Audit Committee has adopted written policies and procedures for the Committee to follow in reviewing and approving or ratifying related-party transactions involving Stein Mart and any of our executive officers, directors or five percent (5%) or more shareholders or any of their family members. These transactions include:

- (a) transactions that must be disclosed in proxy statements under SEC rules; and
- (b) transactions that could potentially cause a non-employee director to cease to qualify as independent under Nasdaq listing requirements.

Transactions that are deemed immaterial under SEC disclosure requirements are generally deemed pre-approved under these written policies and procedures, including transactions with a company with which a Stein Mart director's sole relationship is as a non-employee director and the total amount involved does not exceed one percent (1%) of the other company's total annual revenues.

Criteria to be considered by the Audit Committee in determining whether related party transactions should be approved or ratified include:

- (a) whether the transactions are on terms no less favorable to Stein Mart than terms generally available from an unrelated third party;
- (b) the extent of the related party's interest in the transaction;
- (c) whether the transaction would interfere with the performance of the officer's or director's duties to us;
- (d) in the case of a transaction involving a non-employee director, whether the transaction would disqualify the director from being deemed independent under Nasdaq listing requirements; and
- (e) such other factors that the Audit Committee deems appropriate under the circumstances.

The Audit Committee has approved the related-party transactions described below after determining that the transactions do not adversely affect the performance by these directors of their duties to Stein Mart.

Mr. Mitchell W. Legler. Mr. Legler, was a member of the Board of Directors until his retirement in June 2019. He is the majority shareholder of Kirschner & Legler, P.A., and was our general counsel from April 2001 until his retirement. From August 1995 to April 2001, Mr. Legler was the sole shareholder of the law firm of Mitchell W. Legler, P.A., which served as our general counsel. Legal fees received by Kirschner & Legler, P.A. for fiscal 2019 were \$0.1 million and for fiscal 2018 were \$0.2 million. In March 2017, we renewed an agreement with Kirschner & Legler, P.A. effective April 1, 2017, pursuant to which we retained Mr. Legler and his firm to serve as our general counsel for a term of two (2) years. This agreement provided that we pay Kirschner & Legler, P.A. annual compensation of \$200,000 per year and that such firm be eligible to receive bonus and equity awards through our compensation program. This agreement further provided that Mr. Legler be able to participate in our medical and dental insurance plans to the same extent as a person employed as a Senior Vice President. The agreement provided for a severance payment of \$200,000 if the agreement was terminated without cause (as defined in the agreement) or if the agreement is not renewed at the expiration of the term. If the agreement was terminated following a change of control, we agreed to pay 200% of the sum of (i) the amount due for a termination without cause and (ii) the target bonus in the year of termination. During November 2017, we initiated certain cost reduction activities. In connection with these cost reduction activities, Mr. Legler voluntarily agreed to reduce the annual compensation paid to Kirschner & Legler, P.A. by fifteen (15) percent to \$170,000 per year.

On March 11, 2019, we received notice from Mitchell W. Legler of his resignation from Stein Mart as general counsel at the end of June 2019. Mr. Legler received his normal payment through the end of June 2019. Mr. Legler did not receive any additional payments upon his retirement.

OTHER MATTERS

Explanatory Note Regarding COVID-19

This proxy statement incorporates by reference the information in Part III of the Company's Annual Report on Form 10-K ("Annual Report") for the fiscal year ended February 1, 2020, originally filed with the Securities and Exchange Commission ("SEC") on June 15, 2020 and amended on June 18, 2020 (collectively, the "Annual Report"). The information incorporated by reference into Part III of the Annual Report is being filed beyond the deadline for which the Company was originally required to incorporate such information by reference into its Annual Report on Form 10-K in reliance on the filing extension provided by the SEC's Order under Section 36 of the Securities Exchange Act of 1934, as amended, dated March 4, 2020 (Release No. 34-88318), as modified on March 25, 2020 (Release No. 34-88465) (the "Order").

On April 23, 2020, the Company filed a Current Report on Form 8-K (the "Form 8-K") to indicate its intention to rely on the Order and delay the filing of its Annual Report for the year ended February 1, 2020, which was originally due to be filed with the SEC on or before May 1, 2020, and to delay the filing of this annual meeting proxy statement incorporating by reference the information required in Part III of the Annual Report, originally due to be filed with the SEC on or before May 31, 2020. Consistent with the Company's statements in the Form 8-K, the Company was unable to file the Annual Report and this proxy statement due to circumstances related to the coronavirus ("COVID-19") pandemic. In particular, the Company required additional time due to its previously announced reduction in staff, suspension of in-person operations at its corporate headquarters, and temporary closure of its stores for an unknown period of time, as well as other financial and operational concerns associated with or caused by the COVID-19 pandemic. These conditions caused significant disruptions to the Company's operations requiring key personnel to devote considerable time and resources to respond to the emerging impacts to its business, which limited their availability to complete the Annual Report and to thoroughly evaluate the subsequent events related to COVID-19. In addition, such conditions also delayed the filing of this annual meeting proxy statement.

Shareholder Proposals for the 2020 Annual Meeting of Shareholders

Regulations of the Securities and Exchange Commission require proxy statements to disclose the date by which shareholder proposals must be received by us to be included in our proxy materials for the next annual meeting. To ensure prompt receipt by us, proposals should be sent certified mail return receipt requested. Proposals must comply with the proxy rules relating to shareholder proposals in order to be included in our proxy materials. Notice to us of a shareholder proposal submitted otherwise than pursuant to Rule 14a-8 will be considered untimely if received by us after March 22, 2021, and the proposal will not be brought before the meeting.
